Maine!!

The Democratic Victory!!

Who could have expected it? Will

wonder ever come Maine, on the

Monday, actually was against the

Republicans, and the Republic actually

carried the State. No Democrat could

have been more disappointed. If it had

been a vote on the election of the

State, it would not have been so

disappointed. It was not the

State of Maine that was given 20,000

against us. For the Democrats to

even carry the Republic in the

State of Maine is a victory. To carry

it is a victory. It is a victory.

It will take some days to know the

actual figures. The following dis-

patch indicates the drift of the tide:

NEW YORK, Sept. 14.—Latest returns

from Maine give for Congress-

men, a majority of 14,000 in the

Legislature, and the Governor by 4,000 to

5,000.

PORTLAND, Sept. 14.—Maine is

expected to elect 4,000 majority for

the North and 14,000 for the South,

probably the first and second dis-

patches carried by the South since the

Legislature.

Dislike between the South and the

North is not a new thing. It has been

there since the first day of the

Republic. It is not a new thing.

It is not a new thing. It is not a

new thing. It is not a new thing.

It is not a new thing. It is not a

new thing. It is not a new thing.

It is not a new thing. It is not a

new thing. It is not a new thing.

It is not a new thing. It is not a

new thing. It is not a new thing.

It is not a new thing. It is not a

new thing. It is not a new thing.
